NB we have ceased to employ a Sports Coach on a weekly basis as our current staff, through initial training, and Continuing Professional Development Activities have the necessary knowledge and skills to deliver the PE curriculum to a high standard. We will of course continue to look for additional CPD opportunities for our staff to ensure they continue to enhance their teaching capabilities to ever-increasing standards.

Teaching Staff provided extra- curricular activities for Dance, Netball, Yoga, Running, Fun Fitness (Change for Life) and Football at no cost to school or parents.
