

## **Pendock C E Primary School**

### **PE and Sports Funding Grant**

This funding is provided to schools to fund improvements to the provision of PE, sport and to support children to develop healthy lifestyles.

#### **2014 – 2015**

Allocation: £8220

The funding in 2014 -15 was targeted to increase the opportunities for participation in inter school competitions and extra-curricular clubs, to provide teachers with high quality Continuing Professional Development opportunities, and to support increased engagement in lessons through providing high quality resources for use in Physical Education lessons.

The funding was used to purchase: -

Equipment: swimming resources; ICT equipment to record performance to further develop children's ability to evaluate skills and practise to improve; subsidised Bikeability sessions; the use of a Sports Development Coordinator (shared between the Upton Cluster Schools) from Hanley Castle High School; the time of an external Sports coach to provide extra-curricular provision, curricular provision and CPD opportunities for staff; subsidised coach travel to lessons and events.

Impact: The Sports Premium has supported us to provide high quality PE and extra-curricular activities and as a result children at Pendock have enjoyed and benefited from this provision. In 2014-15 the vast majority of pupils attended at least one sport related extra-curricular activity each week.
