Pupil Premium Strategy (2018/19)

Schools are now allocated a sum of money to support the provision for children from low income families. The purpose of the funding is to support pupils to make good progress.

"Schools are free to spend the Pupil Premium as they see fit. However they will be held accountable for how they have used the additional funding to support pupils from low-income families. New measures will be included in the performance tables that will capture the achievement of those deprived pupils covered by the Pupil Premium." (DfE)
